Director of Medical Services, Madras 9.

To

The Secretary to Government,
Health, Education and Local Administration Department, Madras.

Ref.No. 45866 E.2/52, dated 4/5 December 1953.

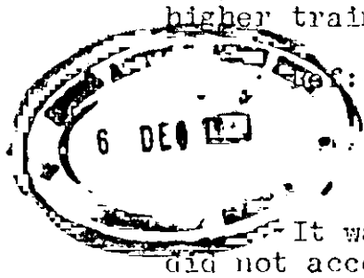
Sir,

Sub:-Madras Medical Service - Dr. W.J.C.Rebello - Deputation for higher training abroad -

---

Ref:-(1) Government memorandum No. 27395 M/53-6 Health, dated 29-9-53

(2) Government memorandum No. 57317-H.I/53-1 Health dated 11-11-53.



70176

1. It was stated in the memorandum first cited that the Government did not accept the proposal to depute Dr. W.J.C.Rebello for higher training abroad under the Colambo Plan. The application received back from the Government was therefore returned to the assistant surgeon. The officer has, however in his letters dated 27-10-53 and 13-11-53 (copies enclosed) resubmitted the application with the request that his application may be forwarded to the Government of India and that he may be granted leave for two years so as to enable him to undergo the training.

2. In as much as the Government have since decided to reconsider the question of deputing Dr. Rebello (vide Government memorandum second cited), I recommend that the application re-submitted by the assistant surgeon may be forwarded to the Government of India for the award of fellowship offered under the Colombo Plan. In case it is decided that Dr. Rebello is not to be deputed by the Government, the assistant surgeon may be granted leave to which he is eligible and he may be permitted to avail the fellowship offered to him.

His application together with those of other candidates called for with reference to Government memo. No. 57317 H.I/53-1 Health dated the 11th November 1953 will be forwarded to Government separately.

Yours faithfully,

Sangham Lal

Director of Medical Services.

Copy of letter of Dr. W.J.C.Rebello, MBBS.,DGO., Assistant District Medical Officer, South Kanara, Mangalore, to the Director of Medical Services, Madras, through the District Medical Officer, South Kanara, Mangalore, dated the 27th October 1953.

I have the honour to request that I may be granted a total of two years leave from the 1st February 1954 or date of availing consisting of leave on full pay and half pay to the extent I am eligible and the balance as extraordinary leave on loss of pay.

I request the sanction of this leave and your favourable recommendation thereon so that I may at least thereby be enabled to avail of the World Health Organisation fellowship reference above in connection with further studies abroad.

Thanking in anticipation.

Copy of endorsement of the District Medical Officer, South Kanara Mangalore, C.No. 11129/53 dated 27-10-53.

Recommended and forwarded.

Dr. W.J.C.Rebellow, MBBS.,DGO., is enthusiastic and is keen on improving his knowledge and status. His application may be favourably considered.

I have to state that Dr.W.J.C.Rebello, MBBS.,DGO. Assistant District Medical Officer, South Kanara an approved probationer in Category I of Class I of the Madras Medical Service has applied for leave of India to which he is eligible for 2 years from 1-7-54 or date of relief for post-graduate study in Obstetrics and Gynaecology in the United Kingdom. He has stated that he may be granted the leave irrespective of the fact that the award of a Fellowship is now under the consideration of the Government of India. A copy of his letter dated 21-4-1954 is enclosed for the information of Government.

2. As Dr.Rebello has applied for the leave to go to United Kingdom for post-graduate study at his own expenses, I recommend that the leave applied for by him may be granted. The Accountant-General, Madras is being requested to furnish the eligibility certificate for the leave applied for by Dr.Rebello, direct to Government.

3. I request that sanction may be accorded for the appointment of a substitute in his place during the period of his extraordinary leave without allowances as no extra cost is involved thereby. In this connection it may be mentioned that it will not be possible to fillup the leave vacancy from the existing leave reserve without detriment to the grant of leave to other Assistant Surgeons who may apply for leave as the duration of the period of leave is long.

Yours faithfully,

Subject M.M.S - Dr W.J.C. Rebello — Deputation for higher training abroad —

From the DMS, No 45866-E2/52 & 41253

Pls see the letter from the DMS with its enclosure on pp 1-2 CF. Dr Rebello applied to the C & D in 1947 while he was in the Army for the award of a Scholarship for postgraduate Studies in Obstetrics and Gynaecology. Though he was interviewed at that time, he was not awarded any scholarship. In Jan 51, he submitted a petition to the D.C.H.S, C & D, asking him to reconsider his claims for the award of a Scholarship. With ref to this application, the C & D asked this Govt in May 53 whether he could be deputed abroad for postgraduate study on a Fellowship. The C & D were informed in this connection that this Govt did not propose to depute Dr Rebello for higher training abroad in Obstetrics and Gynaecology under the Fellowship offered to him as there are already sufficient number of medical officers in this State who have Specialised in the subject and possess post graduate Qualification in Midwifery and also for the reason that he failed thrice in the M.D. examination of the Madras University. In connection with the preparation of a panel of names of Medical Officers for the award of Fellowships and Scholarships under the Technical Cooperation Scheme of the Colombo Plan during 1954, M(H) has intimated that Dr Rebello's name may be considered in this connection. This has been communicated to the DMS for necessary action. The DMS states that Dr Rebello's applns along with others will be forwarded to Govt separately

this may be awaited.

2. Meanwhile, Dr Rebello has submitted a petition asking for a reconsideration of the decision of Govt not to depute him abroad for higher studies in Obstetrics and Gynaecology under the Fellowship offered in May 1953 or if this is not possible, he requests that he might be granted the leave required for availing of the offer. The Hon'ble Secretary states that the Officer may be recommended to the Govt for favourable consideration and that if he cannot be offered deputation terms, he may at least be given the necessary leave for the purpose. It may be noted that in as much as the original offer from the Govt was as a result of the application submitted by Dr Rebello in 1947 while he was in the Army and not under this Govt's service and as the offer has been withdrawn, laying down specific reasons for the rejection of the offer as referred to at A in pl ante, it does not seem necessary to re-open the question of the Officer's deputation for higher studies abroad under the one of the Scholarships awarded in May 1953. Govt does not also seem necessary to consider Dr Rebello's case for the grant of study leave for the purpose as this has also been examined in connection with the question of his deputation abroad and dropped. Vide the notes and orders circulated in 8 Nfs (ms) on 3-12-53 (S) 30-9-53. Dr Rebello's case may be considered along with others in connection with the award of a Scholarship or Fellowship under the Technical Co-operation Scheme of the Colombo Plan during 1954. A

Submitted.

Dr Rebello has only resubmitted his former application for the award of a scholarship under the Offer made in May 1953 and has requested grant of Study leave for the purpose for 2 years from 1-2-54. Pl. see, in this connection, para 1 of the letter of the DMS on p 1 ante. As the Offer made in May '53 was turned down for the specific reasons mentioned at 'A' in p 1 ante, it does not seem possible to recommend his case for the award of a Scholarship under for the subject, "Obstetrics and Gynaecology" and even if he is granted the leave asked for, it seems doubtful whether the Govt would consider his case especially as it has been formerly stated that there are already qualified officers in the Speciality available in this State. At present, the DMS has been asked to consider the name of Dr Rebello in connection with the award of Scholarships or Fellowships during 1954. The subject for which he

A in p 1 ante

p 1 ante on L-F (Unlisted)

4

he should be considered has not been suggested to the DMS. It is quite likely that the DMS may recommend the Officer's case for the award of a Scholarship in some subject other than ~~Obstt~~ "Obstetrics and Gynaecology" in which case, there will not be any difficulty in recommending his name to the GoI. It is only with this view, the suggestion at 'A' on p 2 ante has been made. For orders.

Dr Rebello's present request (2/4) and his earlier request may at least be granted leave to undergo the training at his own expense. The DMS recommends this request; his application may be forwarded subject to these conditions.
